"HOC SIGNO FORTUNA."

BALTIMORE, FRIDAY, MAY 22nd, 1818.

The Five thousand dollar prize drawn on Tuesday last, in the Medical College Lottery came out to No. 19963—This lucky ticket was obtained at COHEN'S OFFICE, and was purchased by a gentleman, a resident in one of the Western states, only a short time since—It is remarkable to note the singular success attending adventurers at this office, and more particularly so to those residing in distant parts of the Union—It will be recollected that in the last Lottery drawn in Baltimore, the 50,000 dollar prize—the 20,000—the 10,000 and one of the 5,000's were all owned out of Baltimore and all obtained from COHEN'S office.

On Tuesday After Next,

(20th drawing) the first drawn No. in the Medical College Lottery, will be entitled to *Ten thousand dollars*.—The cash will be advanced at this Office, to the fortunate holder, the moment it is drawn—On the 30th drawing the first No. will be entitled to 20,000 dollars, and on the 40th the first drawn will receive the grand Stationary prize of 50,000 dollars—Tickets will continue at Fifteen dollars only a short time longer—Orders should be forwarded to this office without delay.

The New Masonic Lottery

begins next Friday, when the first drawn No. will be entitled to *One Thousand dollars*—There will be no risk in this scheme for a considerable time, as the *three thousand first drawn Blanks*, are each

entitled to twenty five dollars—See the scheme on the opposite page.

The Mail Robbers.

Sentence of death was on Thursday last pronounced on JOSEPH THOMPSON HARE and JOHN ALEXANDER, convicted of robbing the mail of the United States. The former, when arraigned to receive his sentence, affected insanity, Alexander was considerably depressed in feelings. LEWIS HARE, who was proved equally guilty has had his sentence remitted by the President, on the intercession of the court, to ten years imprisonment.

The celebrated ALBINESS, who has excited so much attention in Europe and in various parts of the United States, has arrived in Baltimore. The Albiness is a native of Witham in Essex, England; she is now on a tour through the United States, and will remain here a few days.

The Emperor of Austria has granted to JOHN ALLEN, Esq. of Philadelphia, the exclusive privilege of Navigating Steam Boats, between the cities of Venice and Trieste, for the period of twenty years.

ANNAPOLIS, May 16.

The revenue cutter Active, Capt. Beard anchored in our harbour on Wednesday last, and is now waiting the arrival of the President of the of the United States and suite, who are daily expected in our city. The President contemplates embarking here on an exploring excursion down the Chesapeake as far as Hampton or Norfolk. The object of this tour, we learn, is to view

the different points which may be considered in any manner suitable for the erection of fortifications, &c. for the more effectual security and protection of our coast and commerce, in case of future wars.

The Sea Serpent again, or another.

Capt. Woodward, and the mate and seamen of the schr. Adamant, which arrived at Hingham on Sunday last, from Penobscot, saw in the afternoon of the day previous, about 12 leagues East of Cape Ann, a SEA SERPENT, apparently upwards of 100 feet long, which frequently raised its head a considerable height from the water. It was very near the vessel for about five hours; a full view was had of it, and it appeared to be about as large round as a barrel, but no protuberances were noticed. It was once fired at, and appeared irritated by the explosion. Depositions were preparing at Hingham, to be sent to Boston for publication.

Boston Pap.

More Specie.—The William, Capt. Coffin, arrived at New-York on Friday from London, brought out *four hundred and seventy thousand dollars in specie*, for the U. S. Bank.—The schr. Spartan, Johnson, from Havre has also brought for the Bank, *20,000 dollars in specie*.

At a general meeting held at Halifax on the 17th ult. it was moved, seconded and carried, that it was the opinion of the meeting, that the establishment of Halifax as a *Free Port*, would essentially promote the interests of the province. A committee was appointed to prepare a petition to be presented to his Majesty's ministers on the subject.
